group service

DEEP CLEAN THE HOUSE

Good for a group of 4-15, anything that you can clean at your house you can clean at ours---from sweeping, mopping, vacuuming, folding laundry, dusting, etc. It can take your group about 2 hours to make the house sparkle. This is typically scheduled on Saturdays after 11am.

BAKE GRANDMA LEE'S FAMILY HOUSE GINGER COOKIE

This is good for a group of about 5-6 people. We have all the ingredients here to make these ginger cookies. It takes about an hour per batch to make fresh, delicious cookies for families and to give out to donors and friends.

STOCK THE FREEZER

Make a chili, soup, or bread. When there is not a meal scheduled, the Family House can pull it out for families to eat! Please make only the recipes found on our website.

MAKE A MEAL

A great way for a group to be involved with the Family House is to come and prepare dinner (or a morning breakfast) in our beautiful kitchen! Your group will leave knowing that your home cooking, as one guest put it, "warmed the bellies and the hearts" of the families.

HOST A WISH LIST DRIVE

A good service opportunity to do on your own. We're always looking for ways to keep costs down for families, so we try to provide them with the toiletries, paper products, and food items they need.

ASSEMBLE CAREGIVER BAGS

Gather items (such as lotions, puzzle books, personal care items, or notepads) and assemble in care baggies to give to guests as they check-in. A more comprehensive list can be provided.
